

Wood pellet prices

Our wood pellet prices depend on whether you require:

- [bulk](#) [1] pellets (loose, delivered by a blower lorry) or
- [bagged](#) [2] pellets (10 kg bags, by the 1-tonne pallet).

Prices quoted exclude [VAT](#). They are correct at the time of writing, but may have changed by the time you read this, and should therefore be viewed as illustrative and [not binding](#). You can get an accurate, current quote by entering a few details into our [Price Calculator](#) [3]. Although we retain the right to adjust our prices at any time, we are aiming to adjust our prices once a year, with the new prices taking effect from September.

PLEASE NOTE: We are able to take credit card payments (All debit / credit cards except American Express & Diners card).

Priority Delivery

If you need the delivery of wood pellets (bulk or bagged) urgently within the next 3 working days, you may request Priority Delivery. We do not guarantee to be able to satisfy this request, but if we do, the additional charge for **Priority Delivery is £50** (see our [Terms & Conditions](#) [4] for details).

Cancellation and rescheduling

You may cancel or request rescheduling of a delivery (bulk or bagged) at any time prior to the scheduled delivery date. If you cancel or request rescheduling within 2 working days of the scheduled delivery date, you will be liable to pay a **Cancellation Charge of £50**, regardless of whether we reschedule the delivery (see our Terms & Conditions for details).

VAT

Prices (for bulk and bagged) shown on this website exclude VAT. VAT is charged at the reduced rate where applicable (e.g. 5% for wood pellets for direct heating-use, i.e. not for re-sale, at time of writing), and at the standard rate (20%, at time of writing) for all other prices.
